

Confirmation of compliance with FDA for use in contact with food

(title 21 C.F.R. §177.1010 Acrylic and modified acrylic plastics, semirigid and rigid.)

we herewith confirm, that our products

HESAGLAS VOS, HL and HT

are produced in accordance with §177.1010 of FDA and may therefore be safely used in contact with food.

This applies for the clear versions of these products. Most of the dyestuff used for coloured versions comply with FDA as well. Please contact us for detailed information about specific tints.
